Completing this application

Is your application complete? Check over this list before mailing.

Yes, I have

- Filled out all information on the **Application for Admission**
- Enclosed my \$20 application fee
- Detached the **Transcript Request** form from the back cover and forwarded it to my high school guidance office or college registrar (NOTE: If you are transferring from another college and need additional copies, feel free to duplicate the form.)
- Requested that my test scores (ACT or SAT) be sent to Tusculum College

The next step

Investigate financial aid: After completing your application form, you will certainly want to know what kinds of financial aid are available.

First fill out the **Free Application for Federal Student Aid (FAFSA)**, making sure to enter the Tusculum College Institution Code.

Note: You can receive rapid return (as little as ten days) on your FAFSA by sending it directly to Tusculum College. We will electronically transmit your information to the processing center, including the institution codes for all the colleges you are considering. Electronic submission can save weeks over submission on the paper forms.

Schedule a visit: Tusculum's campus is a blend of historic buildings (several on the National Register of Historic Places) and contemporary state-of-the-art facilities. We are constantly growing to serve students better. Campus buildings include the Doak House Museum, the original site of Tusculum Academy, as well as the Scott M. Niswonger Commons, a center for student and academic life completed in 1999. You can schedule a visit to this dynamic campus by calling 800-729-0256 or sending e-mail to admissions@tusculum.edu.
