Tusculum College
Organizational Management Department
Civic Arts Experience Survey

BSOM Cohort Number _____

Name_____

Purpose of Survey: As a part of the Tusculum College mission to foster student civic engagement, the Organizational Management department developed a learning team civic arts project for students enrolled in the BSOM program. This survey is designed to measure the BSOM student level of civic engagement upon entering the program, as well as student perceptions of the overall benefit of the project.

My level of civic engagement prior to entering the BSOM program is 0 1 2 3 4 5

0 No participation in civic activities

1 Rare participation in civic activities
(less than twice per year mainly in the form of monetary donations to charities, churches, etc.)

2 Limited participation in civic activities
(fundraising goes beyond personal donation to include raising funds through walk-a-thons, etc.)

3 Moderate participation in civic activities
(includes fundraising in addition to membership in a civic or religious organization)

4 Above-average participation in civic activities
(includes *active* memberships in multiple civic/church/community organizations)

5 Active participation in civic activities
(includes leadership in civic/church/community organization(s) with extensive on-going personal community service such as coaching youth sporting activities, holding an office within a club/church)

Answer the following questions concerning your participation in the BSOM civic arts requirement using the following scale

SA = Strongly Agree A = Agree N = Neutral D = Disagree SD = Strongly Disagree

My participation in the activity was personally fulfilling	SA	A	N	D	SD
My team's chosen activity fulfilled a need in the community	SA	A	N	D	SD
My participation in the activity provided networking opportunities	SA	A	N	D	SD
My participation in the activity enhanced my awareness of the need for civic engagement	SA	A	N	D	SD
