This is a compilation of all Tusculum College Community Service activities. Emphasis was placed on activities that are ongoing, annual, or repeated. Any information that needs to be added should be emailed to Joyce Doughty at jdoughty@tusculum.edu.
Arts Outreach contact: Marilyn DuBrisk
Serves between 5,000-8,000 people in the community per year, estimated 2/3 are youth
- *Books for Babies*: in partnership with Laughlin Hospital and in cooperation with Learn & Serve America and/or America Reads, staff co-produces a pre-natal class that focuses on the importance of reading to babies and youth as well as nutrition; co-sponsored by the Greeneville City School Librarians and GLAUPIGT who include a letter to the parent about reading to children, as well as a name plate that is included with a book given to a parent of each baby born at Laughlin, the books are provided by local business and organization sponsors, and the name plate is signed by an elementary school student
- *Growing Up in Greene*: partnership with Nathaniel Greene Museum serving 3rd graders in Greene County (~840 students) wherein the students write poems, essays, create artwork and projects which are evaluated and then some are placed as a gallery show at the museum; the students then visit the museum to see the different rooms and prizes donated by Youth Builders or Friends of the Museum are awarded to the best entries, followed by music and celebration
- *Actors Coming Together (ACT)*: county and city high school students put on a musical in Tusculum’s theatre with Tusculum students volunteering to help
- *Theatre-At-Tusculum*: one-act play in arena open to community casting
- *Tusculum College Community Chorus*: open to community
- *Greeneville Community Band*: open to community

Willing to do: as needed basis programs, such as workshops, costume services, tech services (staging, lighting, sound)

- Donate old computers to local non-profit agencies as equipment becomes available

**Library** contact: Jack Smith
- *Greene County Textbook Adoption Display*: service for area school teachers to come and view new textbooks

**RA (Residents Assistant)** contact: Jonita Ashley-Pauley
There are 10 halls divided into 4 areas, each hall area is responsible for 2 service projects per month of their own initiative. They do two types of programming: active and passive. In active programming, they put together a program for students to attend. The passive programming consists of a flyer or bulletin board providing educational information about the month’s topic. The programs follow a programming grid designed to address student problems around the same time they may be experiencing them. The program grid is set and guides their programming from year to year. Programs in the past have included:
- August: Welcome Theme: getting to know one another, hall policies, community living
- September: *Diversity*: respect for others, civility
- October: *Health awareness*: alcohol awareness, STDs, eating disorders
- November: *Gender Issues*: relationships
- December: Open Theme: closing information, stress management, holiday safety
- January: *Spiritual-Self Esteem*: motivation
- February: *Social & Emotional*: eating disorders, roommate conflicts, peer interactions
- March: *Occupational*: internships, summer jobs, etc.
- April: *Intellectual*: suicide, depression, mental health
- May: Open theme: graduation info, summer safety
- *Angel Tree Child Sponsorship*
- *Breast Cancer Awareness Week*
- *Coat Drive*
- *Mocktail Party*: non-alcoholic drinks served while discussing dangers of drinking
- *School Supply Drive*: for Camp Creek Elementary

**Student Affairs** contact: David McMahan
Activates vary each year.

**Student Health Services** contact: Diane Hensley
- *Blood Drive*: 2-3 times per year with either Medic Regional Blood Center or American Red Cross with over 200 students participating in the Carson-Newman competition
• **Fall into Fitness**: health fair promotes health and wellness in community with 20-25 local businesses volunteering to man booths and provide services, with over 200 people attending from the public

**TRIO** contact: Jeanne Stokes
TRIO is a federally funded program sponsored by Tusculum College
• Provides Peer Tutoring Center open to all Tusculum students and free testing services to home schooled children

*The following three programs are all aimed at students coming from a low-income household where they are potentially the first generation to attend college.*
• **Upward Bound**: intensive program requiring extreme commitment from regional high school students including weekly meetings, counseling sessions, and a 6 week summer session housed here at Tusculum often using Tusculum students as RA’s, the summer session has a community service component included
• **Educational Talent Search Program**: serving regional junior and senior high school students with goal setting, post-secondary and career exploration, financial aid counseling, study and test-taking strategies, course planning, and college fairs
• **Student Support Services**: serving Tusculum students with scholarships, tutoring, counseling, mentoring, cultural trips, study and exam-taking skills, prep materials for Grad exams, financial aid assistance and more

**Work Study** contact: LeeAnn Huffine
7% of work study funds are required by law to be for community service, placements include:
• *Center for Civic Advancement*
• *Instructional Assistants at local city and county schools pre-k-12*
• *Library*
• *Museum*

**Athletics Departments**

**Baseball** contact: Doug Jones
• *Dr. Seuss Reading Program, Read Across America* with Eastview and Hal Henard Elementary Schools
• *Greeneville Marlin Parks & Recreation Day*: Greene County youth come to a Saturday game and sit in dugout during warm-up, then shadow their position’s player on the field during the anthem
• *Summer Youth Camp*: high school juniors & seniors are offered opportunity to do a two day camp where their skills are evaluated and they receive instruction, then they play in front of college recruiters
