COVENANTS, SCHOLARSHIPS, & AGREEMENTS
COVENANT BETWEEN THE SYNOD OF LIVING 
WATERS OF THE PRESBYTERIAN CHURCH (U.S.A.)
AND TUSCULUM COLLEGE

I. PURPOSE

The purpose of this covenant is to define the nature 
and scope of the relationship mutually agreed to by 
Tusculum College and the Synod of Living Waters of 
the Presbyterian Church (U.S.A.).

II. HISTORY OF THE RELATIONSHIP

Tusculum College is the oldest college in Tennessee, 
the twenty-eighth oldest in the nation, and the oldest 
coeducational institution affiliated with the Presbyteri 
ian Church (U.S.A.).

Tusculum College was founded by the Presbyterian 
Church. A Presbyterian minister, the Rev. Hezekiah 
Balch, established Greeneville College, which was char 
tered on September 3, 1794. In 1818, Tusculum Academy 
was established by another Princeton graduate and 
Presbyterian minister, the Rev. Samuel Doak. In 1844, 
Tusculum Academy became Tusculum College. In 1868, 
the two colleges consolidated on the Tusculum campus 
under the name of Greeneville and Tusculum College, 
and, in 1912, the name was officially changed to Tuscu 
ulum College.

Throughout the over two hundred years of its exis 
tence, Tusculum College has had a continuing relation 
ship with the Presbyterian Church.

III. NATURE OF THE COLLEGE

Tusculum College takes seriously its heritage as a 
daughter of the Presbyterian Church. The liberal arts 
tradition with which the name, Tusculum College, 
is uniquely associated was formulated by Cicero at 
his academy in Tusculum, Italy, and brought to East 
Tennessee by Samuel Doak by the way of the College 
of New Jersey (Princeton University). The tradition 
emphasizes smallness of size and closeness of fac 
ulty-student involvement, both within and without the 
classroom in order to cultivate citizenship, character 
and practical wisdom among members of the College 
community. That tradition is very much in keeping 
with the heritage of the College through its founding 
by Presbyterians with an emphasis on the formation 
of strong Christian character as an essential ingredient 
of citizenship and practical wisdom. Tusculum College 
emphasizes the religious studies of all students; 
require religious studies of all students;

set of courses that every student is required to take. 
Tusculum College seeks to instill in its graduates a sense 
of the world in which they live and to develop skills to 
make sound decisions that are based on the common 
good. In short, Tusculum wants to graduate students 
who not only do well, but do good.

An important part of Tusculum College’s educa 
tional mission is to recruit a fertile mix of students from 
different ethnic, national, racial, cultural, religious, 
and geographic backgrounds. Learning from fellow 
students resulting from such a campus cultural mix is 
an essential part of fostering an emphasis on practical 
wisdom. Active discussions of different perspectives on 
life resulting from varied cultural experiences enhance 
each student’s maturation and understanding of the 
world culture in which they live. Such diversity of stu 
dent background should be actively used to enrich the 
educational environment of the College.

IV. PARTIES TO THE COVENANT

The Parties of this covenant, Tusculum College of 
Greeneville, Tennessee, operating under its governing 
board, the Board of Trustees, and the Synod of Living

Tusculum desires its heritage as a Presbyterian college to be woven throughout all that the College does, not just through a prescribed set of courses that every student is required to take. Tusculum College seeks to instill in its graduates a sense of the world in which they live and to develop skills to make sound decisions that are based on the common good. The Hobbie Center is actively cultivating and promoting the arts essential to acquiring practical wisdom and enriching the common good by supporting the development of a model curriculum and sharing that model with others. TRIO PROGRAMS

Tusculum College hosts, as a community and campus service, three educational and counseling programs funded by the U.S. Department of Education under Federal TRIO programs. Although the programs differ in terms of the specific services they provide, all are intended to generate the skills and motivation necessary to graduate from high school and successfully enter and/or complete college for low-income, first generation college students.

The Upward Bound program, serving 130 students, is the oldest of Tusculum College’s TRIO programs, having been in continuous operation since 1973. Upward Bound provides counseling, tutoring, and college preparatory courses to area high school students throughout the year. During the summer, Upward Bound students live on campus for a six-week residential, educational and cultural program.

The Educational Talent Search program, serving 1,450 students, has two emphases. The program for high school students began in 1977 and the program for middle school student began in 1989. Talent Search advisors provide academic guidance and career counseling services to high school students and present workshops on study skills, ACT/SAT preparation, financial aid, etc. The middle school component works with area sixth, seventh, and eighth grade students providing counseling, tutoring, and computer-assisted basic skills instruction.

Student Support Services started in the fall of 1997. Student Support Services works with 200 college students and provides services to assist with retention and graduation. The program services include: tutoring, counseling, mentoring, academic advisement, and cultural activities. A wide variety of programs and activities are sponsored each year to enhance participants’ educational experiences. These include the Summer Bridge Program that all conditionally admitted first-time freshmen are required to take.
